

To Whom It May Concern:

Re; Mr. Ilir Jakupi, I&b Cleaning Services

For the last year or two, Mr. Ilir Jakupi & I&B Cleaning Services, has been providing cleaning services for the Office Suite I manage. The cleaning services rendered have been very good. Mr. Jakupi and his staff make sure all aspects of the cleaning process are completed in an efficient and professional manner. Most of the time the cleaning is done in the evening when our office staff is no longer in the building. In addition to cleaning the office, we can be assured that all items in the office are safe, that nothing is ever missing when the cleaning crew has completed their tasks.

I would be pleased to recommend Mr. Ilir Jakupi and I&B Cleaning Services as a potential cleaning service for any organization. I am sure that anyone would be pleased by the cleaning services provided.

Sincerely,
